For patients requiring hospitalization, a deposit of 100% of the low end of the estimate is required in advance for all tests, treatments, and surgeries. The balance is due at the time the patient is discharged from the hospital. Payment may be in the form of cash, personal check (with proper identification), Visa, MasterCard, American Express, or Care Credit. In order to avoid misunderstandings, please let us know immediately if these terms are not satisfactory.

I am the owner of the above pet, or am acting as an agent for the owner, and accept full financial responsibility. I understand payment is due as services are rendered.
